Experiences

23 years experience in helicopter world, my passion strong like the first day :

FLY WITH A HELICOPTER.

In all different way to use this amazing tools :

Technical Flight ; Ferry Flight ;Agricultural spreading ; Photography /filming ; Parachute drops; Power lineAerial Work long and short line ;Fire Fighting with Simplex & Bambi Bucket ; Prospection; Seismic ; EMS EVASAN ; Search And Rescue ; Off Shore, Sightseeing, Public transport ;VIP...

I have had 2 years and half of working in Offshore where I was S76C++ Pilot.

I have skills, experiences such as EVASAN with AW109 Power, Long Line and Short Line, in Aerial Work, fire fighting with AS350/EC130 family, without forget crop spraying.

Most of the time I prepared and made all missions by myself. I was on charge for all task, with customers relationship as well as the first level of maintenance.

With such experience, I have gained exceptional skills in developing a close relationship with co-workers and guide them in their jobs.

As well i have a strong ability for communicate.

Quick list of differents countries where i fly and land :

Angola, Namibia, Morocco, Mauritania, Senegal, Malia, South Africa, Botswana, Uganda, Zambia, Zimbabwe, RD Congo, Kenya, Sudan, South Sudan, Ethiopia, Tchad, Congo Brazzaville, Niger, Nigéria, Cameroon, Benin, Togo, Ghana, Ivory Coast, Guinea, Gambia, Sierra Leone, Gabon, Liberia, Algéria, Canary Islands, St. Lucia W.I., Monte Carlo..
